Yom Chamishi, Adar I ה'תשס"ה, 17 February 2005

To:

My friend,
Moti Sender
Ganei-Tal

I was happy to learn of your new initiative which will enable the Jewish people to be doubly blessed:

- A. *Distribution of Purim packages among the residents of Gush Katif and Sderot.*
- B. *Encouraging the settlers in Gush Katif through the purchase of products manufactured by Jews in Gush Katif.*

Indeed, it is a blessing for you that through the site you run, *katif.net*, you increase love for the Jewish people and for the Land of Israel.

I call on all Jews to support this initiative. May the Lord bring the hearts of the people closer to the land during this month of Adar, and may He thwart the decree of expulsion, so that we may all deepen our roots in the Holy Land as a whole, and in particular in Gush Katif.

“And for the Jews there was light and happiness ... so may it be for us and all the people of Israel”.
